Before SALLY C. MEDLEY, CHARLES J. BOUDREAU, and

ORDER
Conduct of Proceeding
37 C.F.R. § 42.5

¹ This Order will be entered in each case. The parties are not authorized to use this caption style.

On June 12, 2018, a conference call was held involving counsel for the respective parties and Judges Medley, Boudreau, and Kaiser. The purpose of the call was to resolve a discovery dispute. In particular, Petitioner filed in these proceedings Exhibit 1010, which is a copy of certain pages from a book. Patent Owner requested that a copy of the entire book relied on by Petitioner and Petitioner's witness, Dr. Hsieh-Yee, be made available to it.

During the conference call, the discovery dispute was resolved. Petitioner agreed to make available to Patent Owner Dr. Hsieh-Yee's copy of the book for reproduction prior to Dr. Hsieh-Yee's scheduled cross examination deposition. The Board appreciates the parties' cooperation on the matter.

Also during the conference call, Patent Owner reiterated that VidStream LLC is the owner of the involved patents and requested that the case caption for subsequent papers reflect the change in ownership. *See also* Papers 39 and 44 in IPR2017-00829 and Papers 40 and 45 in IPR2017-00830.² Petitioner made no objections to updating the case caption.

It is

ORDERED that the parties use the case caption similar to the one provided on the first page of this order for IPR2017-00829 and IPR2017-00830 to reflect VidStream LLC as Patent Owner.

² Patent Owner is reminded to update Office assignment records to be consistent with its representations made before the Board.
