

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

FRONTIER WATER SYSTEMS, LLC,
Petitioner,

v.

GENERAL ELECTRIC CORPORATION,
Patent Owner.

Case: IPR2017-01468
U.S. Patent No. 7,790,034

**PATENT OWNER'S MANDATORY NOTICES
UNDER 37 C.F.R. § 42.8**

On May 24, 2017, Petitioner Frontier Water Systems, LLC (“Petitioner”) filed a petition (“Petition”) with the United States Patent and Trademark Office seeking *inter partes* review of claims 1-3, 5-7, and 9-15 of U.S. Patent No. 7,790,034 (the “’034 Patent”). Pursuant to 37 C.F.R. § 42.8(a)(2), Patent Owner Zenon Technology Partnership (“Patent Owner”) hereby provides the mandatory notices required under 37 C.F.R. §§ 42.8(b)(1)-(4).

1. Real Party-in-Interest

Zenon Technology Partnership is the owner of the ’034 Patent and is the real party-in-interest.

Petitioner incorrectly named General Electric Corporation as the Patent Owner in the caption of its Petition. General Electric Company (“GE”) currently is the indirect owner of Zenon Technology Partnership. On or about March 8, 2017, SUEZ and Caisse de dépôt et placement du Québec announced that they had entered into an agreement with GE to acquire GE’s Water & Process Technologies business. See, e.g., <http://www.prnewswire.com/news-releases/cdpq-and-suez-acquire-ge-water-615687923.html>. As part of this agreement, GE expects to transfer its indirect ownership of the ’034 Patent.

2. Related Matters

Petitioner is a plaintiff in a declaratory judgment action pending in the United States District Court for the District of Utah, Case No. 2:17-cv-00261-

PMW, which seeks, among other things, a declaration of non-infringement with respect to the '034 Patent. In that action, Zenon Technology Partnership has counterclaimed for infringement of the '034 Patent.

3. Lead Counsel and back-up counsel
