

AFFIDAVIT OF PAMELA STRANSBURY

STATE OF NEW YORK)
)SS.
COUNTY OF TOMPKINS)

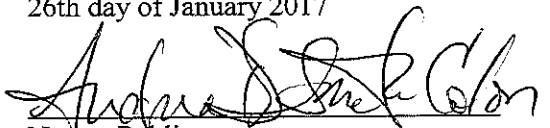

Pamela Stransbury being of full age and duly sworn, deposes and says as follows:

1. I am an employee of the Cornell University Library, and specifically the Original Cataloging Unit, located at Cornell University, Ithaca, New York 14853. I have personal knowledge of the facts set forth below.
2. I am the Administrative Supervisor in the Original Cataloging Unit, which maintains bibliographical and processing information for many historical documents. I have held such position since 1996.
3. Included in the Library's historical collection are various publications. As part of that collection, the Library maintains custody of an original issue of **Medical & Biological Engineering & Computing, Volume 32, No. 6, November 1994**, which includes the paper **Integrated Unit for Programmable Control of the 21F Hemopump and Registration of Physiological Signals** / by E.E. Kunst, J.A. van Alsté, and H.B.K. Bloom.
4. Mr. Richard Cousins requested information about **Medical & Biological Engineering & Computing, Volume 32, No. 6, November 1994** - specifically when this item was first made publicly available by the Library. As best I can determine, the publication was publicly available at the Cornell University Library as of December 20, 1994.
