Dear Examiner:

**REQUEST FOR CERTIFICATE OF CORRECTION FOR  
APPLICANT'S MISTAKE (37 CFR § 1.323)**

Applicant notes that minor errors, described more fully below, occurred in good faith in the above-referenced application and correction of these mistakes does not involve such changes in the patent as would constitute new matter or would require reexamination. We are changing the spelling of the words absorption/absorbed to adsorption/adsorbed. Issuance of a Certificate of Correction correcting this error is requested.

1. Attached is Form PTO/SB/44, which is suitable for printing.
2. The exact locations where the errors occurred and need to be changed are in the following:

At Column 3, line 7, as follows:

“On account of absorption occurring at an undesirable early” should read –On account of adsorption occurring at an undesirable early—

At Column 3, line 8, as follows:

“time whether or not the absorbed substance was deleterious,” should read –time whether or not the adsorbed substance was deleterious,--.

At Column 11, line 32, as follows:

“the active particles as it is adsorbed by the embedding” should read –the active particles as it is absorbed by the embedding--.

Entry of this Certificate of Correction is respectfully requested.

The undersigned authorizes the \$150.00 fee as required by 37 CFR §1.20(a) and any deficiency or credit any excess payment to deposit account No. 19-5117.
