

John D. Villasenor

Education

1986 – 1989	Stanford University Ph.D. in Electrical Engineering
1985 – 1986	Stanford University M.S. in Electrical Engineering
1982 – 1985	University of Virginia B.S. in Electrical Engineering

Appointments

Since 1992	University of California, Los Angeles <i>Current Position: Professor of Electrical Engineering, Public Policy, and Management</i> <i>Visiting Professor of Law</i> Conducting research on innovative communications, networking, security, signal and image processing, and computing technologies and their broader implications. Recent applications have included cybersecurity, robotics (including drones and driverless cars), digital financial services, and privacy. Teach classes in the UCLA schools of engineering (relating to information processing), public affairs (relating to technology policy), law (the “Digital Technologies and the Constitution” course), and management (the course on “Intellectual Property for Technology Entrepreneurs”). See http://johnvillasenor.com for more information, including publications.	Los Angeles, CA
Since 2011	The Brookings Institution <i>Nonresident Senior Fellow, Governance Studies Program</i> Examining a broad range of issues at the intersection of technology, policy, and law, generally related to the topics listed above. See https://www.brookings.edu/experts/john-villasenor/	Washington, DC
Since 2014	Stanford University <i>National Fellow (2014-2016), Visiting Fellow (since 2016), The Hoover Institution Affiliate, Center for International Security and Cooperation (CISAC)</i> See http://cisac.fsi.stanford.edu/people/john_villasenor	Stanford, CA
1990 – 1992	Jet Propulsion Laboratory Developed new techniques for imaging and mapping the earth from space.	Pasadena, CA

Other Professional Activities

- Member, Council on Foreign Relations
- Have led a Department of Homeland Security-supported project aimed at improving cybersecurity in U.S. critical infrastructure. See <http://cisac.fsi.stanford.edu/docs/cybersecurity-assurance-for-critical-infrastructure>

Apple Inc. v. Qualcomm Incorporated

IPR2018-01250

Qualcomm Ex. 2002

Page 1 of 16

- Appointed in 2012 (term ended mid-2014) by the World Economic Forum to the Global Agenda Council on the Intellectual Property System. From 2013 to 2014, vice chair of the council.
- Mid-2014 to mid-2016: Member of the World Economic Forum’s Global Agenda Council on Cybersecurity
- Have contributed to international standards organizations and industry consortia for the development of new communications standards.
- Have provided expert testimony in multiple intellectual property matters in Federal District Court, at the U.S. International Trade Commission in Washington, and before the U.S. Patent and Trademark Office.
- Have provided congressional testimony before the House Judiciary Committee in 2013 and 2014, before the Senate Commerce Committee in 2015 and 2017, and before the House Energy and Commerce Committee in 2015. See <http://johnvillasenor.com/publications/congressional-testimony/>
- Served as Vice Chair of the International Center for Missing and Exploited Children’s Digital Economy Task Force
- Developed and implemented an online intellectual property training program covering patents, copyright, trademarks, and trade secrets. The program was adopted and implemented by the University of California. See <https://techtransfer.universityofcalifornia.edu/IPAwareness/story.html>
- Active in early stage technology venture capital since the 1990s
- Participant in the Uniform Law Commission’s study committees on 1) state regulation of driverless cars and 2) vehicle event data recorders

Patents

- Approximately 20 issued U.S. patents in areas including communications, information processing, and cybersecurity.

Publications

- Nearly 200 academic papers published in venues including engineering journals, conference proceedings, and law reviews (see below; see also <http://johnvillasenor.com>). “H-index” of 49 (as of mid-2017). Articles and commentary also published in broader interest venues including the *Atlantic*, *Billboard*, the *Chronicle of Higher Education*, *Fast Company*, *Forbes*, the *Huffington Post*, the *Los Angeles Times*, the *New York Times*, *Scientific American*, *Slate*, and the *Washington Post*.
