Petitioners,

v.

UNILOC 2017 LLC,  
Patent Owner.

---

Case No. IPR2018-01589

U.S. Patent No. 7,653,508 B1<sup>1</sup>

**PETITIONERS' REQUEST FOR ORAL ARGUMENT**

---

<sup>1</sup> Samsung Electronics America, Inc., which filed a petition in IPR2019-00889, has been joined as a petitioner in this proceeding.

Under 37 C.F. R. § 42.70(a), Petitioners request the opportunity to present oral argument on their Petition for *Inter Partes* Review of U.S. Patent No. 7,653,508 (the '508 patent) to be held on December 11, 2019, as set by the Board in the scheduling order. *See* Paper 10 at 8. Specifically, Petitioners request the opportunity to present arguments on all issues raised in the papers, including:

- the collateral-estoppel effect of the Board's Final Written decision in IPR2018-00387, which determined claims 1-4, 6-8, 11-16, and 19 of the '508 patent to be unpatentable, on Patent Owner's arguments for claim 20;
- Patent Owner's waiver of any argument that claim 20 is not substantially similar to the limitations of dependent claims 3 and 13; and
- the unpatentability of claim 20 of the '508 patent under 35 U.S.C. § 103 over the prior art.

Petitioners' request for oral argument is timely made by the deadline set forth in the Scheduling Order. *Id.* If the Board has any questions or comments, the undersigned attorney respectfully requests a telephone conference.

Date: October 28, 2019
