On February 15, 2019, the parties advised the Board via email that the parties have reached a settlement resolving all disputes between the parties in the above-identified proceedings and requested authorization to file a Motion To Terminate the proceedings.

The parties are authorized to file a Joint Motion To Terminate in each of the above-identified proceedings. The Joint Motions To Terminate also must include a copy of any agreement and include a statement certifying that there are no collateral agreements or understandings made in connection with, or in contemplation of, the termination of the proceedings.
