Dear Honorable Board:

Yesterday (April 9, 2020), Petitioner became aware that its requests for rehearing in IPR Nos. 2019-01152 and -01153 do not appear in the respective dockets for these cases. Petitioner filed these requests between 7:04pm on December 20, 2019, when staff for lead counsel first accessed the PTAB E2E filing system, and 7:12pm ET the same day, when Petitioner served Patent Owner with the filed documents (service email attached). Copies of the PTAB receipts for these filings are attached. A copy of the service email to opposing counsel is also attached.

Petitioner requests that the Board update the online dockets to reflect Petitioner's filing of requests for rehearing in IPR Nos. 2019-01152 and -01153 on December 20, 2019. Petitioner further requests that the Board expedite ruling on these motions given their December filing dates.

Counsel for Petitioner has conferred with counsel for Patent Owner and, despite being furnished with the attached PTAB receipts and having been served with the requests contemporaneously with their filing, Patent Owner opposes this request as it "does not view the motions as having been filed."

In the event a call is required, the parties are free next Wednesday (4/15) or Thursday (4/16) at 1-4 eastern time.

Sincerely,

**Heath Briggs**  
Patent Attorney
