(collectively, “Petitioners”), request Oral Argument on issues related to the patentability of the challenged claims of U.S. Patent No. 8,064,935 (the “935 Patent”). - Rebuttal to Patent Owner’s presentation and positions on all issues, including the issues listed above and any issues raised in Patent Owner’s papers, including Patent Owner’s Response and Patent Owner’s Sur-Reply, or elsewhere in the record for this proceeding;
- Any motions to exclude filed by any party;
- Any issues raised in Petitioners’ Notice of Objections to Evidence, dated May 26, 2020 (Paper 24); and

- Any other issues the Board deems necessary for issuing a final written decision.

The Board previously scheduled Oral Argument for this case on October 27, 2020 (Paper 8). To the extent the oral argument will be conducted in-person at the offices of the United States Patent and Trademark Office, Petitioners respectfully request permission to use audio/visual equipment to display demonstrative exhibits. To the extent the oral arguments will be conducted remotely in light of the Covid-19 pandemic, Petitioners respectfully request that the Board provide a video conferencing platform and a public telephone line.
