[Earthquakes: Where the Fault Lies](#)

The Bay Area is the most lived-upon fault system in the world. No matter where you are in the Bay Area, you're within a few miles, many within a few feet, of a potential major earthquake epicenter.

[Seabiscuit: The Legend Begins in San Francisco](#)

In the 1930's, America was a troubled nation. A paralyzing depression extended from coast to coast. The chilling effects had reached San Francisco as well. But the city was also looking to its future.

[San Francisco's Summer of Love](#)

It was an epic moment in the decade of the 1960's when a generation of young people in the Haight Ashbury waved a rebellious flag in the face of mainstream America and tried to create a new world order. It

[Milk & Moscone: Assassination at City Hall](#)

Find out more about a defining moment in San Francisco history: the assassination of Mayor George Moscone and Harvey Milk.

[San Francisco: Sex and the City](#)

It's the annual Exotic Erotic Ball, an only-in-San Francisco kind of event that is open to anyone. On this night at the Cow Palace some 15,000 consenting, mostly heterosexual adults enter a libidinous

[San Francisco in the Movies: The Silent Era](#)

San Francisco has always had a love affair with the movies. It began when they were silent. KRON 4 Presents our newest documentary examining the Bay Area's history. We'll see why, according to one film historian, 'San Francisco should have become the capitol of the motion picture world.'

[William Randolph Hearst: American Emperor](#)

When he left San Francisco to achieve an empire, he created the world's first and most powerful media conglomerate in the 20th century. He was an American legend, admired and despised, William Randolph Hearst.

[Death in the Sierra: The Donner Party](#)

In the last days of October in 1846 the terrible winter snows of the Sierra Nevada trapped a small group of American emigrants. Known as the Donner Party, there were 81 men, women, and children.

[Day of the Gun](#)

Join KRON 4 as we explore the bloodiest day at San Quentin prison, when inmate George Jackson led a revolt that ended in six deaths, including his own.

[San Francisco in the '70s](#)

Remember the '70's? During the '70s, more than any city in America, San Francisco showed the signs, the symbols and the scars of the times.

[San Quentin: Prison in Paradise](#)

In the 19th century, when the land of California offered a new paradise, the lost ways of its scoundrels and villains would find only torment in the prison near the Golden Gate. San Quentin, one of the most famous and notorious prisons in the world.

[San Francisco in the Movies: Bogart & Beyond](#)

As our history with the movies continues, we look at the time starting with Bogart. How has the Bay Area shaped some of America's biggest movies? Star Wars, Toy Story, Star Trek. KRON 4 Presents, San Francisco in the Movies: Bogart & Beyond.

[Baseball by the Golden Gate](#)

Baseball came west during the Gold Rush and in the beginning was played in the windy cold on 'sandlots' near the future site of San Francisco's Civic Center. Baseball was King.
