Subject: IPR2020-00541, -00542

Your Honors,

Patent Owner PACT writes with regard to certain documents filed in IPR2020-00541 and IPR2020-00542, specifically, Paper 19 and the first Exhibit 2024 in IPR2020-00541 and Paper 17 in IPR2020-00542. These filings were caused by inadvertent errors and PACT respectfully requests the Board expunge them. Parties have met and conferred and Petitioner Intel does not object this request.

In addition, PACT POR in IPR2020-00541 was filed shortly after midnight Eastern Time (28 mins late) on December 5, 2020. Given that this delay does not cause any substantial prejudice to Petitioner Intel, PACT and Intel have agreed in good faith to stipulate that PACT's POR was timely filed, and to extend Intel's reply deadline by one day (from the original Due Date of February 26, 2021 to February 27, 2021). Thus, PACT requests the Board's allowance to file a motion to accord the filing date of its POR to December 4, 2020. Alternatively, if the Board believes a motion is not necessary, PACT requests leave to file a Notice of Modification of Due Dates 1 and 2. PACT understands that Intel does not oppose either approach.

Best regards,

Ziyong (Sean) Li
