Pursuant to 37 C.F.R. 42.70(a), Petitioner hereby requests oral argument on the issues set forth below at a place and time set by the Board. Oral argument is presently scheduled for August 5, 2021 (Paper No. 22, “Scheduling Order”).

Issues to be Presented by Petitioner at Oral Argument:

1. Proper construction of the claims of U.S. Patent 9,826,686;
2. Unpatentability of all challenged claims including:

Claims 1-7, 11-17 are obvious over Outils in view of Roelle and Matsunaga;

Claims 8-10, 18-20 are obvious over Outils in view of Roelle, Matsunaga, Langdon and Nakano;

3. Rebuttal to Patent Owner’s arguments and evidence on all matters including the issues listed above;
4. Any issue the Board may raise at the hearing.

Petitioner respectfully requests that each side be allocated a total of 30 minutes to present oral arguments. If the Board plans for the four proceedings IPR2020-00884, IPR2020-00886, IPR2020-00887 and IPR2020-00888 to be argued together, then Petitioner respectfully requests 60 minutes per side.

Per the U.S. Patent and Trademark Office’s notice of March 13, 2020, Petitioner understands that in-person oral hearings have been suspended for the

foreseeable future. If this oral hearing cannot be held in person, Petitioner requests that the hearing take place via video conference. Petitioner requests the ability to present demonstratives and exhibits to the Board and the ability to have two of Petitioner's counsel attend the video conference from separate locations.

If this oral hearing can be held in person, Petitioner requests the ability to use a computer, projector, and screen to display demonstratives and exhibits. Petitioner also requests that two attorneys at Petitioner's counsel's table be allowed to use computers at the hearing (in addition to counsel making the argument using his or her computer to show the demonstratives), to avoid the need for the parties to bring paper copies of the record into the hearing room and to facilitate efficient answering of panel questions.

Respectfully Submitted,
