JURY TRIAL DEMANDED

**UNOPPOSED MOTION FOR EXTENSION
OF TIME TO ANSWER AND WAIVER OF SERVICE**

TO THE HONORABLE COURT:

Plaintiffs Nippon Telegraph and Telephone Corporation (“NTT”) and Essential WiFi, LLC (“EWF”) issued summons for service upon Defendants MediaTek Inc. (“MT”) and MediaTek U.S.A. Inc. (“MTUS”) on March 26, 2020. Service upon MTUS was accomplished on March 31, 2020. The Parties have reached an agreement to extend the answer date of both MT and MTUS to July 20, 2020 with the Court’s permission to do so. In exchange for the answer date being extended for both MT and MTUS, the Defendants have agreed to waive service upon MT’s foreign entity MediaTek Inc., to avoid the time and expense by the Plaintiff of accomplishing service upon a foreign entity and to allow a simultaneous answer date for both Defendants on the requested July 20, 2020 answer date. The extension to July 20, 2020 will allow the Defendants to answer and/or to respond to the Plaintiffs’ complaint and also allow for more efficient discovery as the case moves forward.

MediaTek Exhibit 1012
MediaTek v. Nippon

Premises considered, the parties request the Court to enter an order allowing for the extended answer date for both Defendants, and also recognizing the waiver of service upon MediaTek Inc., for the benefit of the Plaintiff.

Dated: April 20, 2020

Respectfully submitted,

By: /s/ J. Mark Mann
