

MobileIron and Good Technology Announce Settlement of Litigation

MOUNTAIN VIEW, Calif., Dec. 1, 2015 /PRNewswire/ -- MobileIron (NASDAQ: MOBL) and Good Technology today announced that they have settled all outstanding litigation between them. The settlement includes a narrow, non-material license agreement between Good and MobileIron and a mutual dismissal of claims.

BlackBerry, which recently completed its acquisition of Good, was not a party to the litigation or the license and settlement agreement. The terms of the settlement are confidential.

About MobileIron

MobileIron provides the secure foundation for companies around the world to transform into Mobile First organizations. For more information, please visit www.mobileiron.com.

About Good Technology

Good Technology is the leader in secure mobility, delivering solutions across all stages of the mobility lifecycle for enterprises and governments worldwide. Good offers a comprehensive, end-to-end solutions portfolio, consisting of a suite of collaboration applications, a secure mobility platform, mobile device management, unified monitoring, management and analytics, and a third-party application and partner ecosystem. More than 6,200 organizations in 189 countries use Good Technology, including 100% of the FORTUNE® 100 commercial banks and aerospace and defense firms as well as leaders across healthcare, manufacturing and retail.
