On January 6, 2021, MobileIron, Inc. (“MobileIron”) sent an email to the Board requesting authorization to file a motion for an extension of the deadlines for filing its Patent Owner preliminary responses in IPR2020-01519, -1593, -1594, -1604, and -1634. *See* Ex. 3001. MobileIron stated that (i) it recently was acquired by a third party in a transaction that closed on December 1, 2020, and (ii) that it was changing its counsel for these proceedings, with the new counsel having filed updated powers of attorney and mandatory notices, and the former counsel having filed motions to withdraw with the Board. *Id.* Blackberry Limited (“Blackberry”) sent an email to the Board informing us that it opposed MobileIron’s request to the extent it would delay the dates for a decision on institution or a subsequent final written decision. *Id.*

On January 11, 2021, MobileIron sent an additional email to the Board informing us that the parties had reached an agreement regarding extending the deadlines for the Patent Owner preliminary responses for each of the nine *inter partes* review proceedings listed above. *Id.* These extended deadlines that the parties now seek are as follows:

Rule 37 C.F.R. 42.5(c)(2) provides that “[a] request for an extension of time must be supported by a showing of good cause.” Based upon the representations in MobileIron’s January 6, 2021 email, and coupled with the parties’ agreement, we determine that good cause exists for granting the request for the extensions of time.

In consideration of the foregoing, it is hereby

ORDERED that the parties’ request for extensions of time for the Patent Owner preliminary responses in the above-listed proceedings is granted; and

FURTHER ORDERED that the deadline for filing a Patent Owner preliminary response pursuant to 35 U.S.C. § 313 and 37 C.F.R. § 42.107 in each of the above listed proceedings is the corresponding requested deadline, as shown in the table above.
