Dear Honorable Board,

Patent Owner SITO Mobile R&D IP, LLC and SITO Mobile, Ltd. (collectively "SITO") would like to inform the Board of a claim construction decision recently issued by Judge Albright in the Western District of Texas in a related district court litigation. Hulu has filed IPR petitions against all the patents asserted in the litigation, including U.S. Patent Nos. 9,026,673, 9,135,635, and 9,135,636 patents. The implicated claims from these patents include, for example, the term "play script," which the Court construed. As such, SITO seeks the Board's guidance as to its preferred mechanism for properly submitting claim construction materials from the parallel district court litigation (including by motion, supplemental notice, filing concurrently with Patent Owner's Response, or otherwise).

SITO is available as needed if the Board would like to discuss this issue. Counsel for Petitioner are copied on this email.

Thank you,
Stephanie
