Issue regarding the plaintiff's marking documents as attorney's eyes only - Court suggested a confidential marking instead. The Court broke into the hearing as a verdict had been reached in the jury trial. Court is not sure why he would have the documents marked confidential, except if there is source code or something. The Court feels that the preliminary infringement contentions should be public. Plaintiff feels that the information in their preliminary infringement contentions are

confidential and contain some 3rd party information as well as other Demaray confidential information. The Court will set another hearing next week to get problems ironed out. (Minute entry documents are not available electronically.). (Court Reporter Kristie Davis.) (lad) (Entered: 10/21/2020)
