Counsel,

Apologies for the errant filing of the Second Amended Scheduling Order. The Court missed the Notice regarding Pending Motion for Inter-District Transfer to the Northern District of California. The Court requests the parties meet and confer to produce a new amended scheduling order that sets the *Markman* hearing for April 15, 2022. All other deadlines should remain as previously scheduled, including the trial date. To be clear, fact discovery will open on March 4, 2022 as previously scheduled. Please email me when an updated scheduling order has been filed and the Court will address it first thing.

Many thanks,

**Jeffrey R. Gunnell**

Law Clerk to the Honorable Alan D Albright

United States District Court, Western District of Texas
