Matt,

Thanks, we confirm that the proposed deposition dates for Mr. Green and Dr. Hanson work for us.

With respect to Princeton's second proffered trial date conflict, please identify the specific ITC proceeding, its scheduled start and end dates for trial, as well as when and for how long Mr. Green is expected to testify.

Michael

Mike – thanks for providing dates for Dr. Howle and Mr. Perdue. Those dates work for us.

As for PCW's experts, Mr. Green is available on March 29 and Dr. Hanson is available on March 31. Please confirm those dates work on your end.

Separately, we have a scheduling conflict with the new trial date Judge Altman ordered last week. Specifically, Mr. Green is serving as a testifying expert in an ITC Investigation the week of our new trial date—which was scheduled long before we received the new trial date from Judge Altman. Please let us know of an alternative date SRAM would like to jointly propose to the Court for a trial date. Otherwise, we propose moving the Court to reschedule the trial date to the next available opening in Judge Altman's schedule.

Best,
Matt

Matt,

We had some timing issues on our end, but expect to have availability dates to you early next week. Do you have your experts' dates yet?

Michael
