SOURCES FOR FIRST TIME ATTENDEES

What you need to know before you arrive

Joining the engineering show of the year with activities taking place for 11 hours or more a day. Review this guide to help you get the most out of your time at Cable-Tec Expo. Our best advice is to have a plan, and have fun.

Registration, Housing & Travel

Denver, CO is the host city for the 2014 event. Cable-Tec Expo 2014 will take place Monday through Thursday, Sept. 22-25.

A variety of registration types at discounted rates are available for a limited time. To ensure you receive these discounts, register early and become an SCTE member (you can join SCTE for just \$68). Pre-registration savings are now available through Sept. 8.

SCTE provides a variety of Denver hotel options at discounted group rates through the Cable-Tec Expo room block. These discounted room rates are available only when booking through the official Cable-Tec Expo room block on the Cable-Tec Expo website.

ATTENDEES

[Registration Types and Pricing](#)
[Exhibitor List](#)
[Exhibit Hall Map](#)
[Attendee Housing](#)
[Travel and Points of Interest](#)
[First-time Attendees](#)
[International Offerings/Attendees](#)

Attire

There is no particular dress code; however, general business casual attire is acceptable and comfortable shoes are a must! For any networking activities outside please keep in mind the weather forecast for Denver.

Your Badge

Your badge is your ticket to admission; please make sure that it is visible at all times on the exhibit floor, in workshops and at official Cable-Tec Expo events.

Shuttle Transportation

Complimentary shuttle transportation service to all official Cable-Tec Expo events will be available. [View the shuttle schedule.](#)

Justification Toolkit

In some cases you may need to justify your attendance at the engineering event of the year. A **Justification Toolkit** Cable-Tec Expo [justification toolkit](#) is an available resource with valuable information, a customizable justification letter template and tips to get you started on justifying your attendance at this year's event.

Live Cable Challenge Events

Two live cable challenge events will take place during Cable-Tec Expo. The ever-popular IP Challenge and International Cable-Tec Games features contestants facing-off in a series of cable-related activities and questions to see who will become this year's IP Challenge and Cable-Tec Games champions. Both events are open to all attendees and we welcome you to cheer on your fellow industry colleagues!

First Time Attendees FAQs

Do I have to be an SCTE member to attend Cable-Tec Expo?

SCTE membership is not required for admission; however SCTE members receive additional savings on their registration fee. If you are not a member, you may join at time of registration and receive the discounted member-advantage rate.

1:30–6:00 pm

11:00 am–5:00 pm

9:00 am–1:00 pm

When are the technical workshops offered?

The technical workshops are offered at scheduled times on Monday, Tuesday, Wednesday and Thursday, Sept. 22, 23, 24, 25. The workshop schedule will be accessible by topic, track, date and title. Workshops are grouped into tracks to help you identify sessions most pertinent to your job function. A pre-conference symposium will take place on Monday, Sept. 22 and additional separate registration is required for entry.

How will I know where the sessions, workshops and all other Expo activities are located?

The Cable-Tec Expo Program Guide is available at registration and lists information regarding workshops, sessions and other events, including room numbers, times and descriptions. An official Cable-Tec Expo mobile app also contains the schedule of events, educational sessions, room locations, maps and other important information. In addition, directional signage is located in the corridors of the convention center. An information desk attendant is available to offer additional assistance and will be located in the Cable-Tec Expo registration area.

When do I receive my badge?

Your badge is your admission ticket. Badges may be picked up at registration beginning Monday, September 22. Badges will not be mailed. Upon registering for the event you will receive a registration confirmation email. A few days prior to the event you will receive a reminder confirmation. Print out the confirmation with the registration barcode and bring it with you to Express Registration and cut-down your wait time at registration.

Is there internet access to check my e-mail?

Complimentary internet access will be available to all attendees in the Cyber Café.

Cyber Café sponsored by CORNING

Other Tips

- Check out the [schedule of events](#) before you book your airfare to ensure you are timing your arrival and departure appropriately as not to miss any valuable Cable-Tec Expo events. This year's event will take place Monday through Thursday, Sept. 22-25. Be sure to check the schedule again before you leave for any events that may have been added to the schedule or adjusted.
- Download the [mobile app](#). Be sure to download the mobile app before you leave for the event so you have access to the schedule of events, technical workshops, speaker information, exhibit hall and convention center maps, and other event information in the palm of your hand.
- Plan ahead to attend the technical workshops that most interest you. With Cable-Tec Expo offering multiple technical workshops simultaneously you'll wish you could be in two places. Choose the workshop that you can most benefit from. Some workshops are repeated during the event so be sure to check the workshop schedule to catch those workshops you missed.
- Bring business cards. With all the networking access Cable-Tec Expo provides, you'll be sure to expand your personal and professional network.
