04/08/2022	54	ORAL ORDER re 53 Claim Construction Chart - Having reviewed the Parties' 53 Joint Claim Construction Chart, which indicates disputes over the construction of 19 terms, nearly all of which Plaintiff contends have an unstated "plain and ordinary" meaning, the Court cannot ascertain whether the disputes are those of claim scope that the Court must address. Thus, IT IS HEREBY ORDERED that the July 21, 2022 Claim Construction hearing is CANCELLED. Within seven (7) days of the date of this Order, Plaintiff shall

		state what it contends is the plain and ordinary meaning of the disputed terms. Within fourteen (14) days of the date of this Order, the parties shall submit to the Court an amended Scheduling Order that adds dates for final non-infringement and final validity contentions. Final contentions shall include a party's contentions under its proposed construction(s), as well as under the opposing construction(s) (if such an alternative contention exists). After the submission of final contentions, the parties shall file an amended Joint Claim Construction Chart, brief the claim construction issues and propose a time frame for a Claim Construction hearing. The amended Scheduling Order shall NOT alter the date for trial. ORDERED by Judge Maryellen Noreika on 4/8/2022. (dlw) (Entered: 04/08/2022)
