IPR2022-01345 (Patent No. 11,006,343)
IPR2022-01293 (Patent No. 10,334,499)

Dear Honorable Board

Petitioner T-Mobile seeks permission to file a request for oral argument in the above referenced IPRs. The requests for oral argument are due on Oct. 26 (in IPR2022-01345) and on Oct. 31 (in IPR2022-01293). To date T-Mobile has been in an understudy role with respect to Lead Petitioner CommScope. This week, however, CommScope and Patent Owner Dali informed the Board that they had resolved their dispute by settlement and will be filing motions to dismiss Lead Petitioner CommScope from the IPR. Because it appears that CommScope will no longer be involved in the IPR and that T-Mobile will become the lead petitioner, T-Mobile seeks permission to preserve its right to an oral argument by filing the required requests for oral argument.
