## IN THE UNITED STATES DISTRICT COURT FOR THE WESTERN DISTRICT OF TEXAS **WACO DIVISION**

KAJEET, INC. <i>Plaintiff</i> ,	\$ \$ \$
v. TREND MICRO, INC. Defendant.	\$ Case No. 6:21-CV-00389-ADA \$ \$ \$

## **ORDER STAYING CASE**

Plaintiff Kajeetc, Inc. ("Kajeet") moves to stay this case pending the resolution of inter partes review of U.S. Pat. No. 8,667,559, which is the only patent asserted in this case. Dkt. No. 56. Kajeet filed a second motion for leave to amend or supplement its original complaint, leave to amend or supplement its infringement contentions, and to enter a scheduling order. Dkt. No. 57. Kajeet's second motion is conditional on the Court declining to stay this case. *Id.* Defendant Trend Micro, Inc.'s Response (Dkt. No. 59 at 4) agrees that the Court should stay the case pending IPR2022-00001 and additionally asks the Court to deny as moot Kajeet's conditional motion for leave to amend its complaint (Dkt. No. 57).

Thus, Kajeet's motion to stay (Dkt. No. 56) is hereby GRANTED, and Kajeet's conditional motion (Dkt. No. 57) is hereby **MOOT**. It is hereby **ORDERED** that:

- this case is hereby **STAYED** pending the completion<sup>1</sup> of the Patent Trial & Appeals Board's *inter partes* review of the '559 patent in IPR2022-00001;
- the parties shall file a joint status report at least once every six months reporting the basis of the stay and the progress of IPR2022-00001; and

<sup>&</sup>lt;sup>1</sup> Neither party asked for the stay to extend through the appeal of IPR2022-00001 at the Federal Circuit.

• the parties shall file a joint motion to enter a scheduling order within seven days of the completion of the Patent Trial & Appeals Board's *inter partes* review of the '559 patent in IPR2022-00001.

**SIGNED** this 7th day of June, 2022.

ALAN D ALBRIGHT

UNITED STATES DISTRICT JUDGE
