China Chengda Engineering Co., Ltd.

China Chengda Engineering Co., Ltd. (abbreviated as Chengda) is a wholly-owned subsidiary of China National Chemical Engineering Co. Ltd., located in Chengdu, a famous cultural city in southwest China. It was formerly No.8 Design Institute under the Ministry of Chemical Industry. Since its official founding in 1958, by decades of work and effort, it has grown into an international integrated engineering-driven EPC contractor.
