ERRATA TO FINAL WRITTEN DECISION

On October 22, 2024, we issued a Final Written Decision. Paper 44.  
We inadvertently omitted a “fails to” in the first sentence on page 46 of the

Final Written Decision. This sentence is modified as follows, with addition shown by underling:

We determine that Petitioner's analysis and evidence fails to sufficiently show that Socwell discloses a first bearing rail having a plurality of bearings, a second bearing rail having a plurality of bearings and a running belt supported by the first bearing rail and the second bearing rail arranged as recited in claim 1.
