**PETITIONERS' REQUEST FOR ORAL ARGUMENT**

Pursuant to the Board's February 28, 2024 Scheduling Order (Paper 10) and 37 C.F.R. § 42.70(a), Petitioners Permian Global, Inc. and Manticore Fuels, LLC respectfully request oral argument. Oral argument is currently scheduled for December 5, 2024 in this proceeding.

Petitioners respectfully request a combined hearing of 90 minutes per side (180 minutes total) to address the issues in this proceeding (IPR2023-01237), IPR2023-01236, and IPR2023-01238. Given the relationship between the patents at issue, the commonly-conducted depositions, and overlap of prior art and arguments amongst these IPRs, Petitioners believe that this arrangement will be most efficient for the Board and the parties. Petitioners also request that oral argument be conducted remotely via video conference with the capability to display documents, including demonstratives and exhibits, to the Board. The parties met and conferred on this request but Petitioners understand that Patent Owner intends to file a competing request.

Petitioners specify the following issues (without waiving consideration of any issue not listed below) to be argued.

1. Each ground of invalidity set forth in the Petition.
2. Any other issues addressed in the Petition, Patent Owner's Response, Petitioners' Reply, and Patent Owner's Sur-Reply.
3. Any motion pending at the time of the argument.

4. Any issues specified by Patent Owner in a request for oral argument.
5. Any additional issues on which the Board seeks clarification.

This filing is timely, being submitted no later than DUE DATE 4 (October 15, 2024), according to the Scheduling Order (Paper 10).

## CONCLUSION

In light of the remarks herein, Petitioners respectfully request the opportunity to have an oral argument before the Board. If the Board has any questions, comments, or suggestions, the undersigned attorney requests a telephone conference to discuss.

Respectfully submitted,
