

13 Things You Have to Eat When You're in Las Vegas

Vegas is all about extravagance, convenience and decadence. But just because you're visiting doesn't mean you're stuck eating bad buffet food all weekend. Explore the strip and beyond for some of the best eats in the whole damn country.

BANDITO

SPICY SHRIMP HABANERO AT BANDITO

Sure, you can sit at the bar all afternoon and sip margaritas, but eventually you're going to get hungry. Grab at least one order of this super spicy shrimp dish, with roasted veggies, pickled onion and a jalapeño cheese tamale (trust us, the combo works).
