

## New Las Vegas Restaurants Offer Fresh Takes on Latin Cuisine

Both on the Strip and off, Sin City's taco scene continues to grow

In **Las Vegas**, two new restaurants are serving their takes on Mexican and Latin cuisine and libations. We visited them and were quite impressed with the quality of authentic ingredients and creativity shown by these entrepreneurs. **Bandito Latin Kitchen & Cantina** is now open with original cocktails and a more Latin-inspired menu, while out in the 'burbs, **Bomb Tacos** is engaging the crowds with South-of-the-Border goodness one taco at a time.
