## **Food for Thought for the week of August 15, 2021**

(Readings and questions for the further study of the Book of Hebrews)

---

### **Day 1 – Read Chapters 1-2: Jesus is greater than angels and the Law.**

These two chapters are filled with descriptions of who Jesus is. Jot down the various ways the Son is described in the chapters. In what ways do these descriptions encourage or challenge you?

### **Day 2 – Read Chapters 3-4: Jesus is greater than Moses.**

In 4:12-13, we see the role the Bible plays in the life of a believer. How would you describe to someone else how the Word of God works in the life of a believer? In what ways is the Word working in your life?

### **Day 3 – Read Chapters 5-7: Jesus is greater than priests.**

Our high priest, Jesus, is able to walk with us through tough times because He's been through them Himself. We can be confident God knows what we're going through and can use it for our growth (see Hebrews 4:15-16). Is there something you're going through right now in which you need to remind yourself of these truths?

### **Day 4 – Read Chapters 8-10: Jesus is greater than religion and sacrifice.**

In 10:19-25, there is a five-part call to live a certain way based on what Jesus has done for us as our high priest. Each of the parts of the call are introduced by the words "let us" (10:22, 23, 24, 25). Looking at each of these calls, can you think of one way you can carry out that call in your life?

### **Day 5 – Read Chapters 11-13: Our two responses are faith and obedience.**

Chapter 11 has been called the "Hall of Faith" because of all the people listed in it who lived by faith. In most of the life situations listed, faith is seen as bringing victory over challenging circumstances. In verses 35-40, the outcome of faith is drastically different. How do you reconcile the differences between the outcome of faith in the first 35 verses with the last six verses?
