Our Lord's words to St. Faustina as found in Diary, paragraph 699, Jesus said, " I pour out a whole ocean of graces upon those souls who approach the fount of My mercy. The soul that will go to Confession (within 8 days before or after 'Mercy Sunday') and receive Holy Communion shall obtain complete forgiveness of sins and punishment. On that day all the divine flood gates through which grace flow are opened." Confession can be heard on Saturday at any Church and still "count"
