

Kids Color Matching Game for Toddlers

Kids Color Matching Game for Toddlers

Materials Needed

Paper. Printer. Laminator and laminating pouches (optional). Scissors or paper cutter.

Preparation

Print one copy each of pages 4 and 5 OR print two copies of one of the pages. Laminate if desired. Cut apart one or both pages at the black lines.

Instructions

Match the images. Don't forget to talk about the what's on each card and the colors and details in the illustrations.

For beginners, play with one page only, leave one copy intact and play with all cards face up. With more experience, you can use both pages, cut apart all of the cards, and use stacks of cards or start turning them over until you can play a full memory game.

Please share!
