

Apex Legends' Rise To The Top

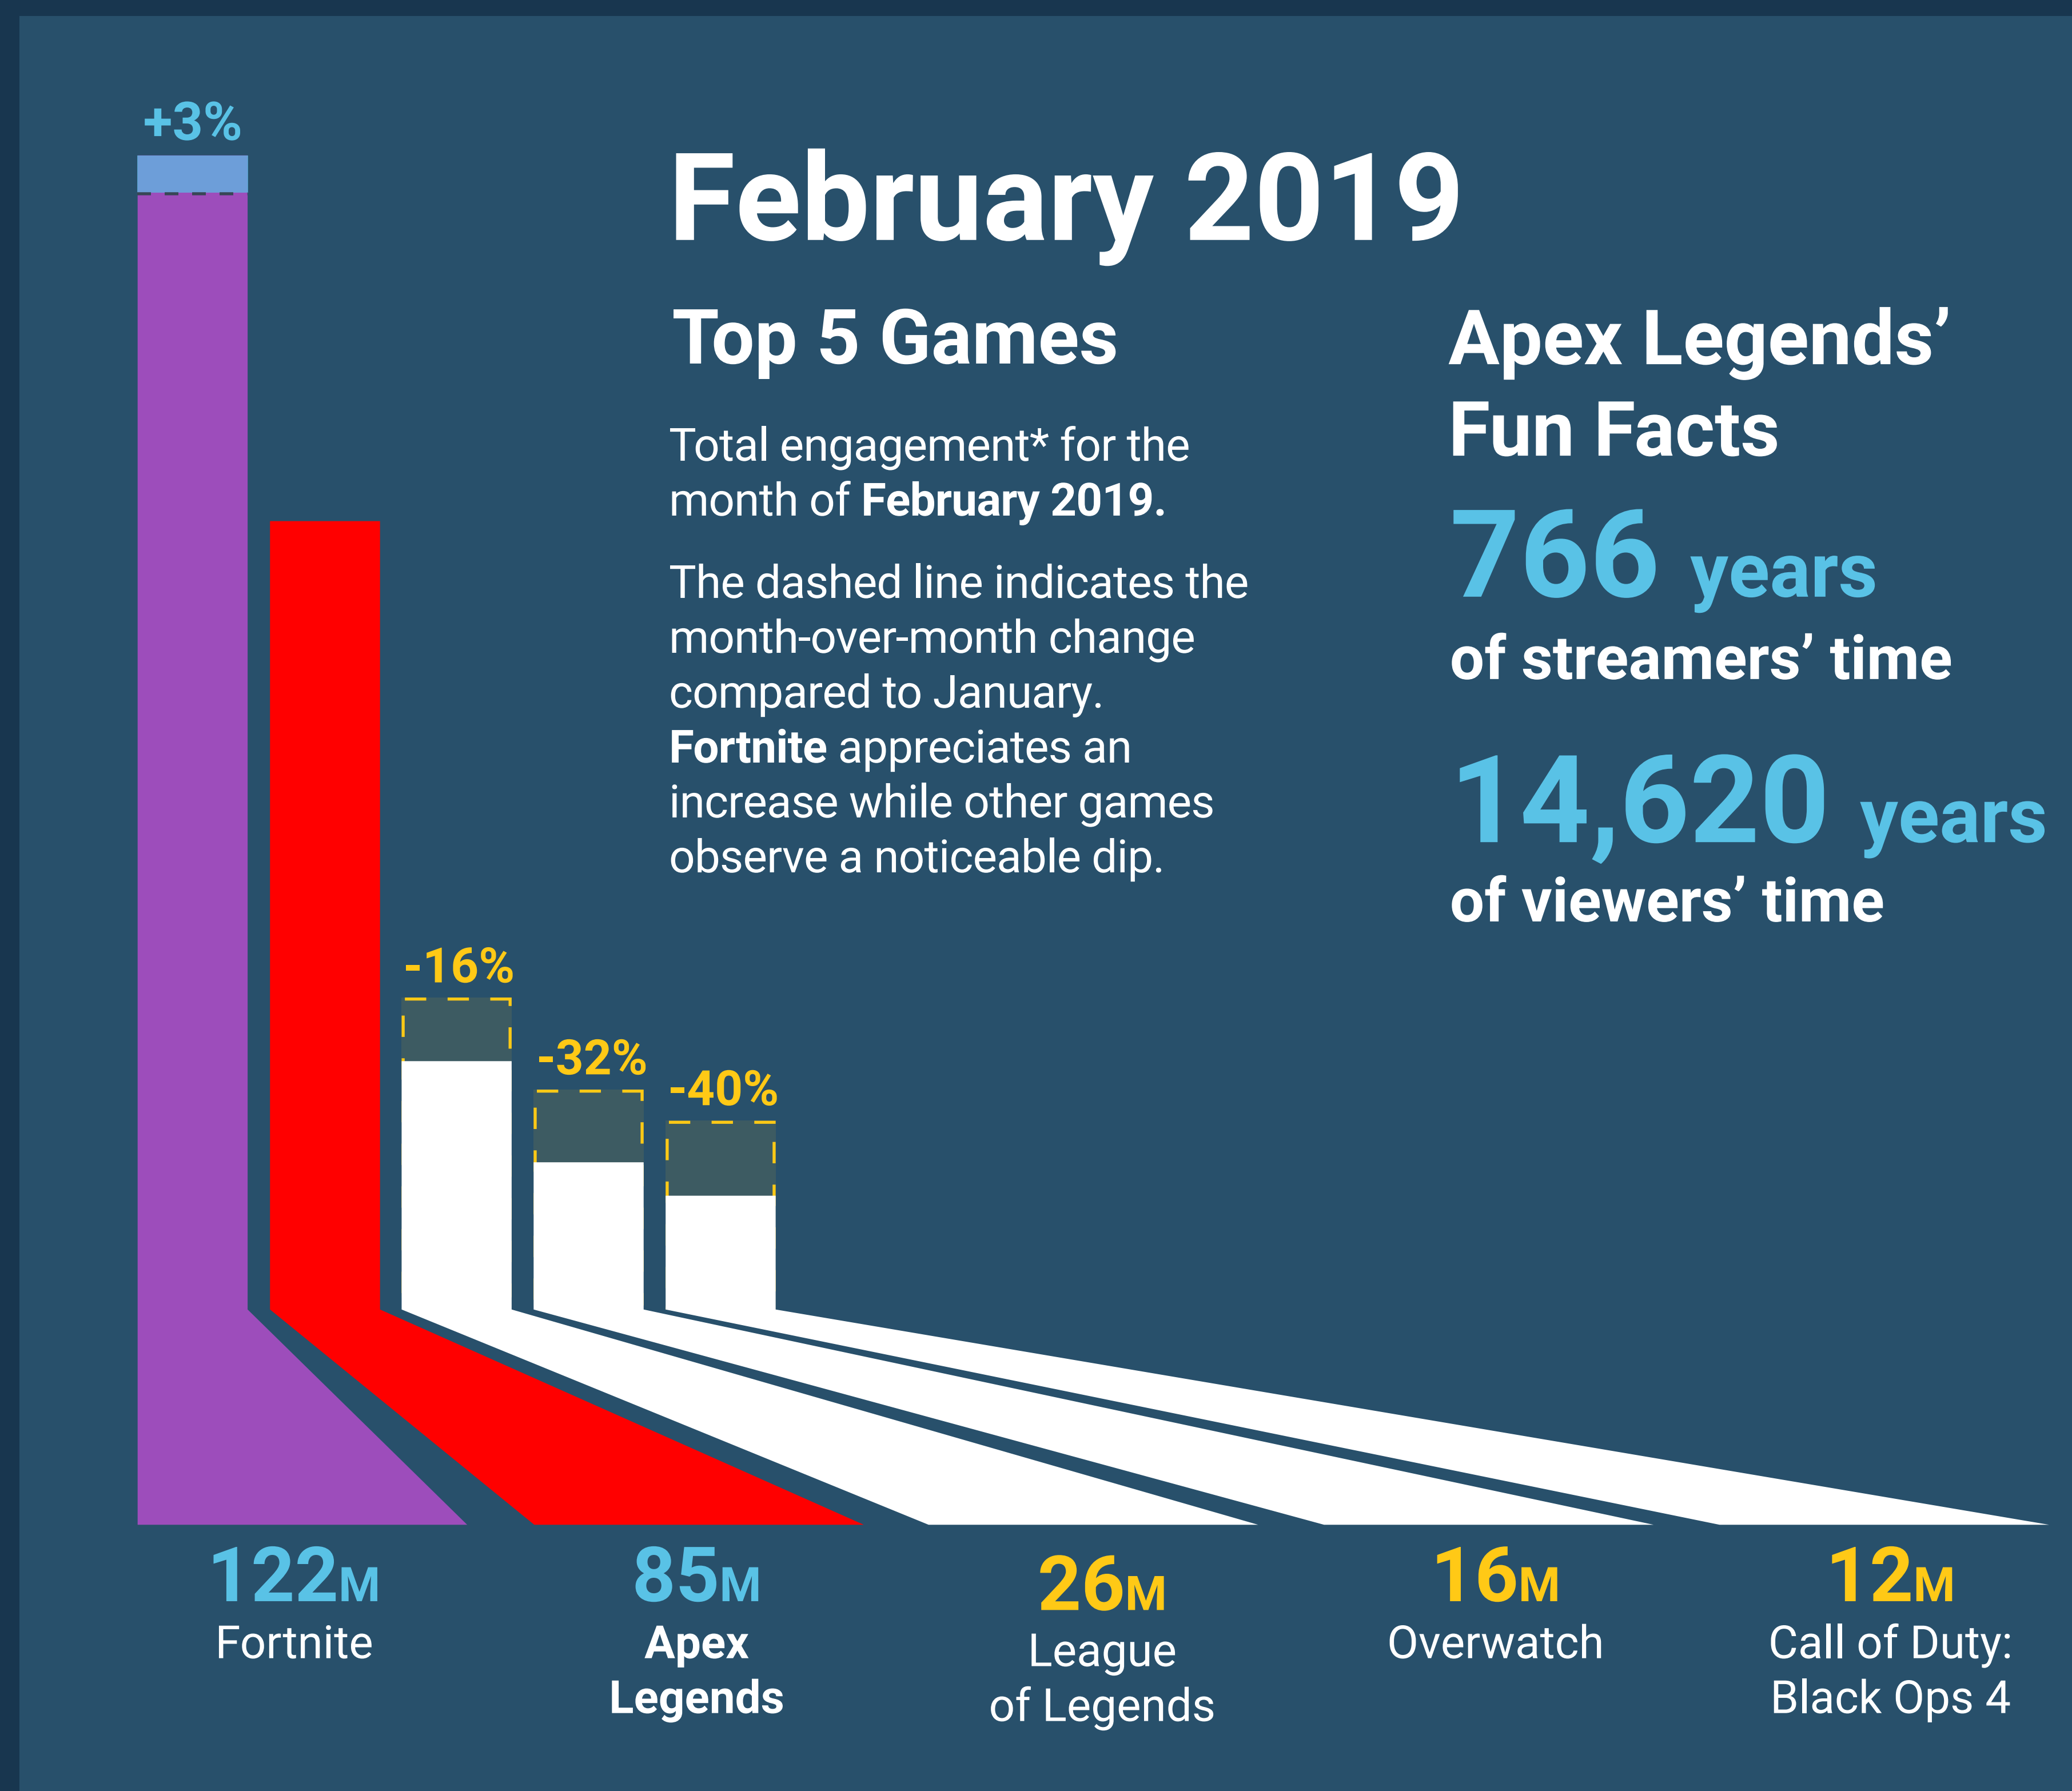

Fortnite is a cultural phenomenon - Apex Legends is a wildly popular game

9 days at the top

Longest streak at No. 1 on streaming platforms since **Fortnite** domination.

(Previous upset was a 2-day streak for **Call of Duty: Black Ops 4** on October 12-13, 2018.)

February 2019

Top 5 Games

Total engagement* for the month of **February 2019**.

The dashed line indicates the month-over-month change compared to January.

Fortnite appreciates an increase while other games observe a noticeable dip.
