

MASCULINE HERBAL COMPLEX

Though you may be healthy in all other respects, imbalances or disruptions of natural male functions can occur that undermine feelings of wellness and male vitality. For centuries, master herbalists have known that men have unique needs and that certain herbs work to balance and support normal masculine function and improve wellness and vitality. NeoLife developed Masculine Herbal Complex using ancient herbal knowledge and leading-edge science to support needs unique to the male system.

#2897 – 60 tablets

Why choose herbs for my male concerns?

- Because herbs have been proven effective from centuries of use.
- Because herbs have a long history of safe use, without the side effects associated with chemical drugs.
- Because herbs are nature's solutions to wellness challenges.
- Because herbs are non-habit forming.
- Because herbs work naturally and gently to support normal male physiology and function.
- Because herbs have been shown to support and enhance masculine needs and help the male body perform at its vital best.

Why NeoLife's Masculine Herbal Complex?

- **Comprehensive formula.** Our unique "complete family" approach to the formula provides broad, synergistic effects of the herbal constituents, which optimise their ability to promote vital male balance.
- **Herbs are selected from many global traditions,** bringing you the best herbal knowledge from around the world.
- **Contains Saw Palmetto,** which has been shown to help support the function of the prostate.
- **Contains St. John's Wort and Skullcap** which help support calmness, relieve low mood and support positive mental attitude.
- **Contains Damiana** for boosting vitality.
- **Guaranteed purity, potency and consistency.**
- **Derived solely from nature's herbs,** containing no chemical or animal products.

The following benefits have been attributed to the herbs contained in NeoLife's Masculine Herbal Complex by master herbalists:

HERB	TRADITIONAL BENEFIT
Saw Palmetto — fruit (<i>Serenoa serrulata/repens</i>)	Assists in boosting vitality and supporting the function of the prostate.
Oats — seed (<i>Avena sativa</i>)	Helps relieve feelings of nervous stress and mild anxiety.
Celery — seed (<i>Apium graveolens</i>)	Supports and balances normal male physiology and function.
Damiana — leaf (<i>Turnera diffusa</i>)	Supports and promotes normal male physiology and function.
Yarrow — flower (<i>Achillea millefolium</i>)	Helps reduce inflammation and supports the function of the circulatory system.
St. John's Wort — flower (<i>Hypericum perforatum</i>)	Helps reduce inflammation and assists in relief from irritability and anxiety.
Skullcap — herb (<i>Scutellaria lateriflora</i>)	Assists in relief from feelings of nervous stress and mild anxiety and overcomes muscular spasms.
Astragalus — whole plant (<i>Astragalus membranaceus</i>)	Assists in boosting vitality and promoting kidney function.
Chilli — fruit (<i>Capsicum frutescens</i>)	Assists in promoting the function of the circulatory system.
