## FAQs

**Q: Where and how do I place my order?**

**A:** Smart Start qualifying orders must be placed on the new NeoLife website [beta.neolife.com](https://beta.neolife.com), either as your first order at time of enrollment or as a single order during your first full month. Rewards will automatically be applied to your order and reflected in your cart at checkout.

**Q: Can I have more than one Smart Start order? If I first place a 250 PV order and then a 500 PV order, will I receive both free product bundles and benefits?**

**A:** No, the Smart Start free products and discount will only apply to your first qualifying Smart Start order. In this case, it would apply only to your first 250 PV order.

**Q: Can I choose the products in my single order, or are they pre-selected?**

**A:** Yes, you choose the products included in your single Smart Start order. However, the free product bundles are pre-selected and cannot be customized, returned or exchanged.

**Q: Is the program available to existing Promoters?**

**A:** No. Smart Start begins July 28, 2025 and is available to New Promoters starting in July and beyond. (U.S. and Canada) and can only be earned during their first full month.

Notes:

- Free product bundles are pre-selected and will be automatically added to qualifying orders.
- Free product bundles will appear as free items in your order and will be shipped together with the qualifying order.
- PV and BV are not awarded on free products.
- NeoLife reserves the right to update or change the contents of the free product bundles at any time.
- Smart Start free products have no cash value.

\*Smart Start Discount is calculated as a percentage of total BV of your order. Instead of receiving this amount in your monthly bonus check, you'll receive it as an upfront discount on your qualifying Smart Start order.
