

# ENDURANCE

When active people are training with a goal in mind, pushing your body to its limit and the finish line takes endurance mentally and physically.

Beef liver is traditionally valued as an **energy-boosting** food. NeoLife SPORT Endurance is a superior, concentrated source of natural “anti-fatigue” nutrients from pure liver and enhanced by the antioxidant properties of vitamin C.\*

NeoLife SPORT Endurance is derived from 100% pure South American beef liver. Beef liver is a densely nutritious food rich in high quality protein, B-complex vitamins, particularly B<sub>12</sub>, plus iron and an array of trace minerals. Because of the synergistic ratios in which these nutrients naturally occur, liver is an **excellent energy food**.

#3281 – 120 Tablets

## Support for Athletic Endurance with Liver and Antioxidants

- Traditionally, an **energy-boosting food**, and provides a concentrated source of nutrients needed to support biological and **energy producing activities**.
- Because of the body's ability to endure prolonged activity is linked to nutritional energy reserves, the concentrated nutrients in liver **support increased physical endurance and provide a nutritional buffer against fatigue.\***

## Our Solution: NeoLife SPORT Endurance

- Superior, concentrated source of the **natural “anti-fatigue” nutrients** from liver.\*
- **Highest quality desiccated liver** from grass fed cows. Contains 100% pure South American beef liver with no growth hormones (anabolic steroids), antibiotics or pesticide residues.
- **Vacuum-dried and defatted** to eliminate cholesterol and prevent rancidity.
- **Special protective coating** “locks in” the nutrient value of each tablet and minimizes taste and odor
- **Vitamin C and bioflavonoids in Neo-Plex Concentrate** added to protect desiccated liver from oxidation and enhance nutrient absorption.\*

**SUGGESTED USE:** Adults take 2 tablets daily.

## Supplement Facts

Serving Size: 2 Tablets

Servings Per Container: 60

	Amount Per Serving	% Daily Value
Vitamin C (as ascorbic acid)	53 mg	60%
Desiccated liver	1,000 mg	†
Yeast	24 mg	†
Rosehips ( <i>Rosa canina</i> ) (fruit)	20 mg	†
Rutin	20 mg	†
<b>Neo-Plex Concentrate Blend</b>	57 mg	†
Orange juice powder ( <i>Citrus sinensis</i> ) (fruit); Orange powder ( <i>Citrus sinensis</i> ) (peel); Citrus bioflavonoid.		

† Daily Value not established

**OTHER INGREDIENTS:** Stearic acid, hydroxypropyl methylcellulose, silicon dioxide, glycerin and natural color.

Lot #

Nutrients required for the body's energy production processes.\*

Hormone-free, antibiotic-free, beef liver. Liver is naturally rich in protein, B-complex vitamins (especially B<sub>12</sub>), iron, chromium, magnesium, copper, selenium, potassium and other vital trace minerals.

**Vitamin C and Neo-Plex Concentrate** to enhance nutrient absorption and protect whole food components from oxidation.\*

Store in a cool, dry place, away from direct sunlight.

Packaged with safety seal.

NeoLife products use only GMO-free ingredients.

#1902

Cuando las personas activas están entrenando con un objetivo en mente, empujando el cuerpo a su límite y hacia la línea de meta, ellos requieren mucha resistencia mental y físicamente.

El hígado de res ha sido valorado tradicionalmente como un alimento energizante. NeoLife SPORT Endurance es una fuente superior, concentrada de nutrientes naturales "anti-fatiga" de hígado puro y reforzado por las propiedades antioxidantes de la vitamina C.\*

NeoLife SPORT Endurance se deriva de hígado de res 100% puro de América del Sur. El hígado de res es un alimento de alta densidad nutritiva rico en proteínas de alta calidad, vitaminas del complejo B, especialmente B12, además de hierro y una gran variedad de minerales traza. Debido a las relaciones sinérgicas en las que se producen naturalmente estos nutrientes, el hígado es un alimento **energético excelente**.

## Apoyo para Rendimiento Atlético con Hígado y Antioxidantes

- Tradicionalmente, un alimento para la **estimulación de la energía**, y proporciona una fuente concentrada de nutrientes necesarios para apoyar las **actividades biológicas y la producción de energía**.
- Debido a que la capacidad del cuerpo para soportar una actividad prolongada está vinculada a las reservas de energía nutricionales, los nutrientes concentrados en el hígado **apoyan el incremento de la resistencia física y proporcionan una amortiguación nutricional contra la fatiga.\***

## Nuestra Solución: NeoLife SPORT Endurance

- Fuente superior, concentrada de los **nutrientes naturales "antifatiga"** del hígado.\*
- **La más alta calidad disponible de hígado desecado** de vacas alimentadas con pasto. Contiene 100% pura carne de hígado de América del Sur, sin hormonas (esteroides anabólicos) de crecimiento, antibióticos o residuos de pesticidas.
- **Secado al vacío y desgrasado** para eliminar el colesterol y prevenir la rancidez.
- **Revestimiento de protección especial** que "encierra" el valor nutritivo de cada tableta y minimiza el sabor y el olor.
- **La vitamina C y bioflavonoides en Neo-Plex Concentrado** añadidos para proteger el hígado desecado de la oxidación y mejorar la absorción de los nutrientes.\*

**SUGGESTED USE:** Adults take 2 tablets daily.
