

VITAMIN E PLUS

Nature’s “master antioxidant” and an essential nutrient, vitamin E supports overall health and vitality. Research especially links higher vitamin E levels with strengthened immunity and cardiovascular health. NeoLife’s Vitamin E Plus is more than just alpha-tocopherol: It provides balanced ratios of the entire vitamin E family of tocopherols and tocotrienols as they exist in whole foods. Its water-miscible foundation is pure, cold-pressed wheat germ oil with lecithin, a natural emulsifier.

#3340, 100 Softgels
#3341, 200 Softgels

Why Vitamin E?

- As an antioxidant, it protects cell membranes from free radical attack.*
- As an essential nutrient, it is required to promote and maintain good health.*
- Supplementation at 200-800 I.U. daily may dramatically support cardiovascular health.
- Vitamin E may help boost immunity.

Our Solution: Vitamin E Plus

- Features the entire vitamin E family from whole-food sources. Vitamin E Plus provides the entire vitamin E family of tocopherols and tocotrienols—not just alpha-tocopherol—in balanced ratios that occur in natural foods.

- A foundation of pure wheat germ oil. Cold-pressed, unrefined wheat germ oil is the product base.
- High-potency. Delivers 275 I.U. alpha-tocopherol plus 50 mg of non-alpha-tocopherol family members per capsule.
- Water-miscible for improved absorption. NeoLife’s water-miscible formulation quickly disperses into small particles that are easily absorbed.
- Softgel capsules dissolve quickly.
- Only 10 calories per capsule. Provides nutrient density without excessive calories.

SUGGESTED USE: 1 or 2 softgels daily.

Supplement Facts

Serving Size: 2 Softgels
Servings Per Container: 50

	Amount Per Serving	% Daily Value
Calories	20	
Total Fat	2 g	3%**
Vitamin E (as d-alpha-tocopherol)	369 mg (550 IU)	2460%
Wheat germ oil	550 mg	†
Mixed non-alpha-tocopherols	100 mg	†

** Percent Daily Values are based on a 2,000 calorie diet.
† Daily Value not established.

OTHER INGREDIENTS: Gelatin, sorbitan monooleate, glycerin, soy lecithin, water, rice bran oil and apple pectin.

Contains soy and wheat.

#1901

Vitamin E strengthens immune response and promotes cardiovascular health. Tocopherols and tocotrienols provide important antioxidant activity throughout the body.*

100% food sourced components provide the complete vitamin E spectrum as found in nature. By combining cold pressed, unrefined wheat germ oil with high potency soy lipid extracts, Vitamin E Plus provides all four tocopherols and all four tocotrienols of the vitamin E family.

NeoLife’s breakthrough water miscible technology, derived from a unique blend of components, including apple pectin and lecithin, encourages faster, more efficient absorption of vitamin E.

Store in a cool, dry place, away from direct sunlight.

Packaged with safety seal.

VITAMIN E PLUS

La vitamina E contribuye a la salud en general y a la vitalidad siendo el "antioxidante maestro" de la naturaleza y un nutriente esencial. Las investigaciones vinculan especialmente los niveles altos de la vitamina E con una inmunidad y una salud cardiovascular más fuertes. La Vitamin E Plus de NeoLife es mucho más que simplemente alfa-tocoferol: Aporta proporciones equilibradas de toda la familia de vitaminas E de tocoferoles y tocotrienoles que existen en los alimentos integrales. Su base miscible en agua es puro aceite de germen de trigo prensado en frío con lecitina, un emulsionante natural.

#3341, 200 Cápsulas

¿Por Qué la Vitamina E?

- Como antioxidante, protege las membranas celulares de los ataques de los radicales libres.*
- Como nutriente esencial, es necesario para promover y mantener una buena salud.*
- La suplementación de 200-800 U.I. diarias puede contribuir considerablemente a la salud cardiovascular.
- La vitamina E puede ayudar a aumentar la inmunidad.

Nuestra Solución: Vitamin E Plus

- Cuenta con toda la familia de vitaminas E procedentes de las fuentes de alimentos integrales. La Vitamin E Plus proporciona toda la familia de vitaminas E de tocoferoles y tocotrienoles, no sólo el alfa-tocoferol, en proporciones

equilibradas como se encuentran en los alimentos naturales.

- Base de aceite de germen de trigo puro. Prensado en frío, siendo el aceite de germen de trigo no refinado su producto base.
- Alta potencia. Aporta 275 U.I. de alfa-tocoferol además de 50 mg de los miembros de la familia no alfa-tocoferol por cápsula.
- Miscible en agua para una absorción mejorada. La fórmula miscible en agua de NeoLife se dispersa rápidamente en pequeñas partículas que son absorbidas fácilmente.
- Cápsulas de gel blando que se disuelven rápidamente.
- Sólo 10 calorías por cápsula. Proporciona densidad de nutrientes sin calorías excesivas.
