

250ml

W: 59 mm X H: 64 mm

HOME CARE

SUPER GRO®'s special formula reduces water surface tension, increases soil penetration and reduces water loss due to runoff and evaporation. SUPER GRO® also enhances the benefits of plant foods and fertilisers and is suitable for use on all indoor and outdoor vegetation.

Directions for use

Fill container with water, add 1ml (approximately 20 drops) SUPER GRO® per 1 litre of water and agitate gently.

Precautions

Store in tightly closed container at room temperature away from direct sunlight. Avoid contact with eyes. Rinse hands and skin immediately after use.

KEEP OUT OF REACH OF CHILDREN.

Ingredients

Ethoxylated Alkylphenol, Polysiloxane.

Also available in: 5 litre size.
