Students get access to both MBAP's GMAT Specific study material and GMAT's official guide. Any student who completes both these study materials has already reached a 700 plus score. Further progress will be achieved by giving more mocks and going through diagnostic analysis. MBAP gives equal emphasis on AWA sessions, as they are crucial in final college conversion. In all, MBAP has set the clear path to a 720 + score for our students. Now, you have to get started ASAP..!!

College Application Assistance:

MBAP understands a good GMAT score also needs a high quality college application process, to get a final convert..!! That's why MBAP overseas education counsellors helps students finalize the list of colleges for application based on student's individual profile. A single page business resume that communicates, what the college wants to see is a crucial document to be created. MBAP helps students in developing a robust SOP, which mentions about student's career goals and learning from past failures. Pointers from all these documents are used to prepare students for the final round of college interviews.

Scholarship & Visa Preparation:

MBAP makes sure, financial constraints should not be a roadblock for a student's success story. Hence, our team will help you in identifying scholarship friendly programs and preparing documents for the application process. MBAP consultants will work with you in filling visa application process once you have secured a B School Admit. Do's and Don'ts of Visa Interview is also explained to students before we conduct mock visa and mock interviews. This offers student a hassle free and a smooth pre-departure preparation.
