## A FOREWORD BY THE CEO

The Institute of Management & Foreign Studies (IMFS) was founded in 1987 with a vision to provide Indian students an opportunity to study abroad at the finest international institutions. Unlike today, in 1987 that meant only one destination; America! And an entry into the highly venerated universities in this Mecca of learning required students to fulfill many requirements, one being a great score in entrance examinations like the GRE® (Graduate Record Examination) / GMAT® (Graduate Management Aptitude Test) / SAT (Scholastic Aptitude® Test) / TOEFL and IELTS. Over the last 19 years, IMFS has helped numerous students find their dreams in foreign lands by helping them examine opportunities globally - from options not only in America but also in Australia, UK, New Zealand, Canada, Singapore and the rest of Europe.

We invite you to our classes to come and join the IMFS family and undertake this journey of excellence with us! Come and experience our highly professional approach, which along with a personal rapport, results in a high level of motivation to do well and be counted among the best. Let us help you to achieve your dream of studying at the right university in the world! Trust the oldest and yet the most modern coaching institute in India for your quest in making a mark in the world!

**K.P. Singh-CEO IMFS**

## AN INSIGHT ON INSTITUTE OF MANAGEMENT & FOREIGN STUDIES (IMFS)

IMFS is one of the first institutions in India to start professional coaching for the GRE/ GMAT/ SAT/ TOEFL/ IELTS and has since helped thousands of students to do well in these highly competitive examinations. In the year 2000, IMFS helped the first Indian student to get the "Full Score" in GRE. This feat was repeated in subsequent years and IMFS has helped 8 students score the "Full Score" in the GRE, a record unmatched by Test Prep institutions in the world.

The GRE is required for entry into any graduate program (MS or PhD) while the GMAT is needed for a graduate degree in management (MBA). SAT is needed to enter the undergraduate programs (BA) in the US. Thus, these entrance tests can be considered as something akin to the JEE one attempts, to enter the highly revered IITs in India.

Our students have done equally well in GMAT, securing scores in the high 700 on a regular basis. It goes without saying that we have achieved equally spectacular results in SAT! In fact, our scintillating results have only gotten better and brighter over the years; we find that the average scores of our toppers have gone up by 50 to 60 points! In retrospect, this phenomenon of students getting high scores can be attributed to many factors, one of which is the fact that our classes are conducted by a team of highly experienced and well trained faculty led by Mr. K. P. Singh. Our students are provided with highly evolved notes, practice test material, over 30 test papers, of which, they can take home 10 full length papers on the pen paper format and 10 on the CAT format. IMFS students have access to a well-equipped library, computer labs and a well-trained staff for solving queries related to studies abroad.

Of course, another requirement for entry into the MS/ MBA degrees requires the student to also do well in the TOEFL/ IELTS/ PTE. One needs to undergo these tests since one needs to prove one's proficiency in English, the medium of instruction in most universities in the West.

# GRADUATE RECORD

## EXAMINATION

### GRE

IMFS

The Graduate Record Exam (GRE) is a computer based test and it serves as a test of aptitude for students seeking admission to graduate schools. The test questions are designed to measure verbal, quantitative and analytical writing skills and are not related to any particular field of study. The test reflects the opportunities and efforts that have contributed to the development of these abilities. At IMFS, in addition to the regular pattern of teaching spread over six months, students shall also undergo vigorous training in writing essays. To ensure your success in writing forceful and grammatically correct essays, you will also be taught requisite essay composition skills and basic English grammar.

#### THE COMPUTERISED GRE TEST CONSISTS OF:

Topics	Questions	Timings
<b>Analytical Writing</b>		
Analysis of an Issue	1 Topic	30 minutes.
Analysis of an Argument	1 Topic	30 minutes.
<b>Verbal Section</b>		
Section 1	20 Questions	30 minutes.
Section 2	20 Questions	30 minutes.
<b>Quantitative Section</b>		
Section 1	20 Questions	35 minutes.
Section 2	20 Questions	35 minutes.

**Scoring pattern:** 130 - 170. Analytical Writing 0-6.

You will be able to see your scores immediately after the test. Prior to perusing your scores, you have the option of cancelling the result and rescheduling the test to another date. You must wait 21 days before re-attempting the GRE, any sooner and the scores shall not count. You may appear for the GRE Test 5 times in a calendar year. A score of 155 + in the verbal section and 162 + in the quantitative section should ensure your admission at a high-ranked university and will improve your chances of getting financial assistance.

#### GRE TESTS SCORES ARE VALID FOR FIVE YEARS

Your official scores will be available 10–15 days after your test date in your ETS Account and your scores will then be sent to the score recipients you designate. You will receive an email notification from ETS that your official scores are available in your ETS Account and that the official score reports have been sent to your designated score recipients.

#### COURSE CONTENT

Study material for all sections, test papers for different sections and 30 full length Simulated Tests.

**Course Duration: 11 weeks.**

**The GRE examination fee is \$ 205 payable via an International Credit Card online at [www.ets.org/gre](http://www.ets.org/gre) in your ETS Account.**

The new ScoreSelectSM option lets you decide which test score to send to the institutions you designate. You can send scores from your most recent GRE test or scores for all of the times you have taken the GRE test as part of your four free score reports.

For optimum results, please ensure that you adhere to instructions imparted to you by the highly experienced faculty at IMFS, learn vocabulary diligently and complete all the practice tests and undergo **at least 30 tests at the IMFS premises.**
