# Our Successful Admits at GLOBAL UNIVERSITIES

Arshdeep Sood  
**IMS GRE® Comprehensive**  
GRE® 323 - Georgia Institute of Technology

You cannot find any replacement for or alternative to IMS GRE® test prep and admissions consulting services. I got great support and tips to crack my GRE® exam from the IMS faculty. Moreover, IMS consultants were always available over the phone, mail or in person. Within a short period of time, my consultants helped review my application documents for ten times, especially the SOP. While my friends struggled with the process, the IMS support helped me submit all my applications on time and got me dream admits. I would recommend IMS to all MS aspirants – they are very superior and have a proven track record.

Shubranshu Mohapatra  
**IMS MS Consulting**  
GRE® 331 - University of Pennsylvania

IMS has been super helpful during the entire process. My admission consultant was an excellent guide in matching different MS Programs to suit my individual career needs. She was very responsive while evaluating my SOP and gave insightful feedback. She worked hard, sometimes also over the weekend to ensure I met my application deadlines. All the facets of IMS consulting were absolutely rewarding especially essay editing process. I got the opportunity to introspect a lot.

Secret Tip

Our most successful admits choose our GRE® Comprehensive program. This program improves your candidature in all aspects desired by Admission Officers i.e. GRE® Score and Profile Building.

# Why MS Abroad?

## Top 5 reasons to pursue an International MS Program

### Job Opportunities

Students get opportunities to work in the global companies and earn global salaries.

### Academic Excellence

Countries, such as USA, UK, Germany, etc. have the best institutions with world class infrastructure. They incorporate the latest technologies into their curriculum to introduce students to cutting edge research.

### Multi-Cultural Exposure

Cultural diversity on campus helps students learn and engage with their faculty members and peers. Thus, they start building their global network on campus.

### Scholarship and Financial Aid

Scholarships, fellowships, and assistantships are available for eligible international students.

### Stay Back

Many countries, for example the USA, provide students with technical degrees longer stay back options and a potential path to citizenship of the country.

## Types of MS Programs

There are hundreds of specialized MS programs available. We have listed the most common ones below:

Engineering	Engineering + Management	Business / Finance	Science	Others
Computers, Mechanical, Manufacturing, Industrial, Electrical, Chemical, Civil, Construction, Automobile, Aerospace and Aeronautical, Financial engineering, Biotechnology	Engineering Management  Management Information System	Financial Management  Business Analytics  Data Science	Physics, Chemistry, Biology, Zoology  Pharmaceutics  Medicinal Chemistry  Pharmacology	Public Health  Hospital Administration  Psychology  Architecture  Economics

# MS Application Process

## IMPORTANT APPLICATION DOCUMENTS AND THEIR PURPOSE

Resume	Highlights of your past achievements
Statement of Purpose	A 1-2 page essay emphasizing your intent for the program
Recommendation Letters	Third party opinion about you
Transcript	Your academic performance
GRE® Score	Your aptitude towards the MS program
TOEFL® / IELTS™ Score	Your skills in English Communication
Application Form	Your other details

Important: MS Abroad Application favours all round excellence rather than just a high test score.

## GRE® Structure

<b>AWA</b> 2 Tasks Analyze an Issue Analyze an Argument 1 Section 30 Min per Task	<b>VERBAL REASONING</b> Text Completion Sentence Equivalence Reading Comprehension 20 questions per section 30 Min per Section	<b>QUANTITATIVE REASONING</b> Geometry Probability Number System Statistics, etc 2 Sections 20 questions per section 35 Min per Section	<b>1 Section</b> Unscored Unidentified  VERBAL REASONING Or QUANTITATIVE REASONING
--	---	--	--

Note: An identified research section that does not count toward your score may be included in place of the unscored section. This section always appears at the end of the test.

## GRE® Score

Analytical Writing	Verbal Reasoning	Quantitative Reasoning
0 - 6 score scale in half-point increments	130 - 170 in 1-point increments	130 - 170 in 1-point increments

GRE® Duration: About 3 hours and 45 minutes

# MS Application Timeline

## (FALL AND SPRING INTAKE)

Given below is a flow-chart with timelines to help you plan systematically for your admission to MS program, for either the FALL or SPRING intake. If you wish to enroll for the FALL intake (Aug/Sep), then you have to take the exam latest by OCTOBER of the previous year. However, if you wish to enroll for the SPRING Intake (Jan) then you can take the exam latest by JULY of the previous year. We recommend students to apply for the Fall Semester as scholarships, grants and assistant ships are generally offered to Fall enrollments.

Note: While the above flow-chart suggests the latest date by which you should take the GRE® for the FALL/SPRING intakes, we would advise the students to take the GRE® as early as possible to have a balanced preparation schedule (remember you need to do well in your graduation too). Remember if you do well, the score will be valid for 5 years and if you do not perform satisfactorily then you have an option of re-taking the test.

# IMS CIE MS Program

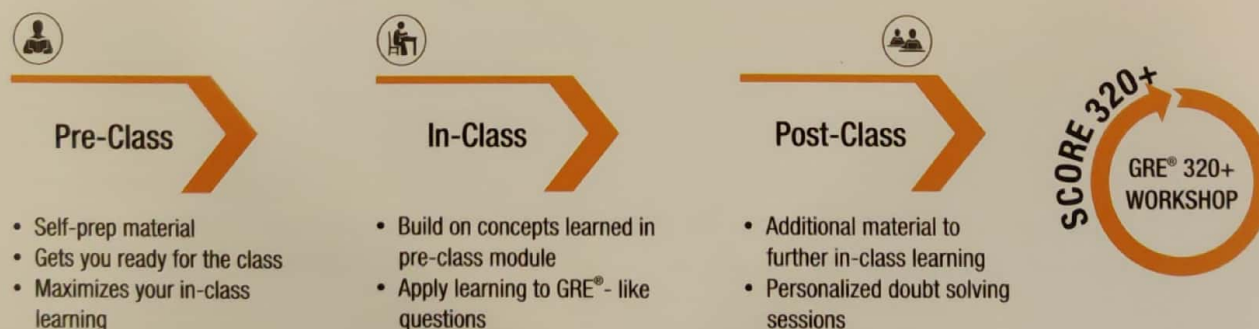

The IMS CIE MS Program is a comprehensive program that provides an end-end solution to ensure that you secure admission into one of the best Global Masters programs suited to your needs.
