

ATELIER

[Visit Community Page](#)

ATELIER offers front row seats to the vibrant transformation of Downtown Los Angeles. Surrounded by world-class entertainment, museums, galleries and restaurants, residents can enjoy a vast array of cultural destinations and experience the rich tapestry of DTLA.

Designed by Solomon Cordwell Buenz, the chic glass structure soars to 33 stories, with floor to ceiling windows offering 360° city views. These premium residences include thoughtfully designed luxury finishes and resort-style amenities.
