The Experience @Ironworks is more than a building – it's a complete enhancement of the traditional guest experience. The Experience @Ironworks provides contemporary apartment living with an array of top-of-the-line services from Synergy, including hotel-style check-in and full-service concierge. This new concept includes forward-thinking amenities, including a penthouse lounge with a community kitchen and a Courtyard Lounge with communal BBQ pits. Inside the one- and two-bedroom apartments, accessed via keyless entry, are spacious, well-designed floor plans with high-end distinctive finishes. Synergy's custom-designed furniture and artwork packages have been specialized for this location.
