Appeal of Orange County Power Authority to
Citation No. E-4195-0116, issued on
April 20, 2022, by the Consumer Protection
and Enforcement Division

K.22-05-017

**MOTION OF ORANGE COUNTY POWER AUTHORITY (ID 243)
TO WITHDRAW CITATION APPEAL**

II. DISCUSSION

OCPA met and conferred with CPED on December 6, 2023 and indicated to CPED its intent to move to withdraw its appeal of this Citation and two other RA Citations that OCPA received from CPED.³

³ Those RA Citations, Nos. E-4195-0125 and E-4195-0134, are under appeal by OCPA in proceedings K.22-10-024 and K.23-05-019, respectively.

TOTAL CITATIONS (FINES)

E-4195-0116 =	\$1,962,845.20	(ref'd by Dan Kalmick and Don Wagner)
E-4195-0125 =	\$ 415,406.40	
E-4195-0134 =	\$ 147,408.00	
Total	<u>\$2,525,659.60</u>	*

*OCPA's total avoided RA purchases – not fines -- were nearly \$103 million. OCPA's missing RA is then paid for, and delivered to the grid, by SCE (cost-shifted onto SCE). OCPA then cites SCE's resulting higher electricity prices to justify raising its own prices. Thus, OCPA profits without incurring expenditures.
