## Marin Clean Energy Deep Green 100% Renewable Power

The most impactful action we can take RIGHT NOW to...

Curb global warming

Unhook from dirty & dangerous fossil fuels

Reduce environmental impacts

Keep existing ratepayer dollars in Marin

Stabilize energy costs & achieve energy independence

You can sign up for the **100% renewable Deep Green** option now by completing the form below and submitting your request. You may also call 888-632-3674 to sign up for the Deep Green product.

The Deep Green option comes at a premium of \$0.01 per kilowatt hour. If you are not in Phase 1 and would like to sign up for Early Deep Green, a \$10 monthly flat fee will also be applied to your bill until Phase 2 commences in January 2012. Please call 888-632-3674 to see if you are in Phase 1 or 2.

See how purchasing Deep Green will affect your bill [here](#).

Follow the instructions below to sign up for Deep Green now!

Please submit your account information [here](#).

Thank you for stepping up to receive 100% Renewable Energy and reducing the emission of greenhouse gases. Please note that Early Deep Green volunteers (Marin Clean Energy Phase II customers) will be subject to a monthly administrative fee in the amount of \$10.00 for joining our program early - in addition to the customer's regular energy costs and the 1 cent premium for 100% renewable energy. Marin Clean Energy's Phase I customers will not be subject to an administrative fee for joining the Deep Green program. Phase I customers will be charged the 1 cent premium for the 100% renewable energy in addition to the customer's regular energy costs.
