WORK *It!*

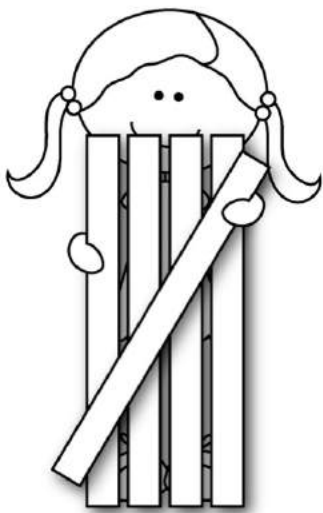

WORD WORK It!

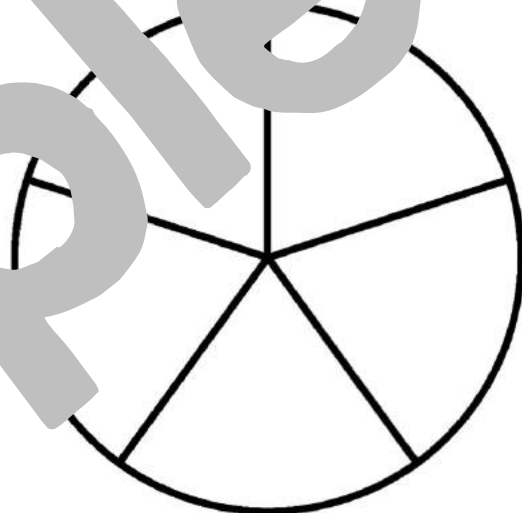

Thanks for downloading this word work pack. This pack was designed to be able to be used with any words your choose. My students have an individual sight words list. They use their personal words with this activities during word work time. I have copied most of the activities onto colored paper and laminated them. You can also just copy the activities onto white paper and use as a consumable. This pack includes the following activities.

- Stamp It (letter stamps)
- Build It (letter tiles, magnetic letters, etc)
- Bead It (letter beads with string or pipe cleaners)
- Bend It (pipe cleaners, wiki stix)
- Dough It (play-doh)
- Brick It (Legos)
- Graph It (Reading words with a graphing twist)
- Roll It (dice)
- Swat It (fly swatter)
- Rainbow Write It (rainbow markers or crayons)
- Text It
- Type It
- Tally It (reading words with a tally twist)
- Build It (multiple words- tiles, magnetic letters, etc)
