CAREER OPPORTUNITIES - Santa Barbara, CA

### IT Intern (Ref #1919-L)

Toyon Research Corporation is seeking an intern to assist with the day-to-day information technology operations. The intern will join a dynamic and fast paced IT organization with a focus on excellence and diligence. The intern will follow established IT policies and procedures, working to ensure compliance with regulatory standards.

Duties include:

- Installing and maintaining computer systems including software and hardware on desktops and laptops.
- Resolving internet and network access issues.
- Providing network printer support.
- Meeting with staff to provide one-on-one technical assistance as needed.
- Determining causes of computer/software/network issues and resolving these issues under the guidance of IT staff.

The ideal candidate will be self-motivated, have strong analytical capabilities, excellent communication skills and a desire to learn and excel.

**Experience and Training:** Requires a basic understanding of computer networks as well as Unix and Windows based operating systems and their corresponding software ecosystems.

**U.S. Citizenship Required.** Ability to qualify for a US Department of Defense security clearance required.
