Online + Udacity Connect Refund Policy

A Udacity Connect (UC) student who cancels via their Account Settings on Udacity homepage within the initial 14 days of enrolling in Udacity Connect to attend in person classes receives all monies returned (with the exception of any non-refundable fee) associated with attending UC sessions, which costs \$298 per month (\$199 monthly fee for online services + \$99 monthly fee to attend in person classes) for 4 class meetings per month (1 class per week) excluding any classes cancelled for holidays. Request for refund must be made by sending email to uconnect-support@udacity.com

Tuition liability for a UC student is determined on a pro-rata basis by the number of classes the student attends in the current month. Refunds do not apply to previous months for which the in-person classes are completed and services rendered. Thereafter, if a student terminates or withdraws from the program, they will be liable for:

- Any nonrefundable fees associated with the program they are enrolled in
- Tuition liability as of the student's last date of online or physical attendance.

Although placement assistance service is provided, the school cannot guarantee a job to any student or graduate.
