Spring 2026 Theatre Production: Beetlejuice Jr

It's showtime in this Broadway Junior version of the Broadway hit! It's our show now, kid. The ghost-with-the-most comes to the stage in Beetlejuice JR., the frightfully funny musical based on the beloved motion picture turned Broadway phenomenon. Lydia Deetz is a strange and unusual teenager, still grieving the loss of her mother and obsessed with the whole "being dead thing." Lucky for Lydia, she and her father move to a new house haunted by a recently deceased couple and Beetlejuice, a delightful demon with a real zest for life. When Lydia calls on Beetlejuice to scare away anyone with a pulse, this double-crossing specter shows his true stripes, unleashing a (Nether)world of pandemonium.

Auditions take place March 4, 5, & 7, 2026

Rehearsals are Wednesday & Thursday from 5-7pm and Saturday from 10am-12pm

Tech Week and Performances: May 18-24, 2026

Registration Opens November 20
