

FY 24/25 IMPACT REPORT

The Way Out is a recovery-focused, homeless initiative delivered through a **Recovery System of Care**, and achieved a **77% success rate**.

WHAT SETS US APART

Using a Recovery First approach, *The Way Out* embodies several unique elements:

- **Treatment on Demand** – Offer real-time access to care.
- **Incentivized Treatment** – Provide two-four years of Recovery Housing paired with Workforce Development.
- **Results & Transparency** – Measure our performance, and iterate based on learning.

DEFINING SUCCESS

Success means more than completing a program. *The Way Out* defines success by achieving three key outcomes at exit:

- **Sobriety** – freedom from substance use, as the foundation for an independent life.
- **Employment** – sustainable income that fosters financial security and purpose.
- **Stable Housing** – safe, consistent housing for after The Way Out.

I came to Harbor Light to put the shattered pieces of my life back together. This program has helped me heal my mind, body, and soul, reunite with my children and family, and most importantly, find myself and my voice again. Life isn't perfect, but today I can smile, laugh, and truly love myself.
