LAUNCH INTO SUMMER!

MAKE A BIG SPLASH WITH CAMP KROC!

Kids will love this fun, safe camp experience where they will engage in STEAM, swim, and participate in sports activities. Parents can rest at ease knowing that their child is being cared for by a staff member who puts their campers' needs first. At Camp Kroc, kids will be safe, have fun, meet new friends and most of all, get to be kids!

Every camp is designed to incorporate positive Christian values that your child can use in their daily lives, such as kindness, gratitude, grace, understanding and forgiveness.

STAFF & SAFETY

It takes a special person to be a counselor for our campers (your kids). Camp Counselors must be energetic, enthusiastic, fun, and trained to respond quickly and efficiently for every situation. Your child's safety is our number one priority.

RISK MANAGEMENT POLICIES

- All Camp staff members will receive First Aid and CPR certification from The American Red Cross. Staff are trained for risk management procedures.
- There will be a 1:10 counselor to child ratio at minimum at all times. Every camper's name will be kept with staff at all times and head counts are taken between each activity.
- We prioritize water safety. Certified Kroc lifeguards will be present during all swim times at The Kroc Center.
